RE: Silver City Deer Management Area Hunt

Dear Hunter:

The New Mexico Department of Game and Fish would like to remind you of a unique opportunity for hunters holding an archery deer license that has not been used in:

- GMU 23 (Excluding the Burro Mountains hunt area). Hunt Codes: DER-2-221 and DER-2-222
- GMU 24 (Excluding Fort Bayard Management Area). Hunt Code: DER-2-235 and DER-2-236.

Archery hunters **who did not harvest a buck** during the Sept 1-24, 2013 or Jan 1-15, 2014 hunt dates may use their existing license to archery hunt for one antlerless deer. The hunt will be restricted to the boundaries within the Silver City Deer Management area (See Attached Map) from Jan 16-Feb 5, 2014. **This opportunity does not apply to those holding a draw license for Any Legal Sporting Arm or Muzzleloader.** Eligible hunters are reminded that they must continue to follow all Game and Fish rules and regulations as outlined in the New Mexico Hunting Rules and Information Booklet. This includes obtaining written permission to hunt on private lands and not hunting within city limits (See Map).

The Department of Game and Fish would like to thank all responsible hunters for their assistance in this management effort.

For questions concerning this hunting opportunity, please contact our customer service hotline at 1-888-248-6866.

Sincerely,

Ryan L. Darr, AWB
